

MYMLAN
SAILING CATAMARAN

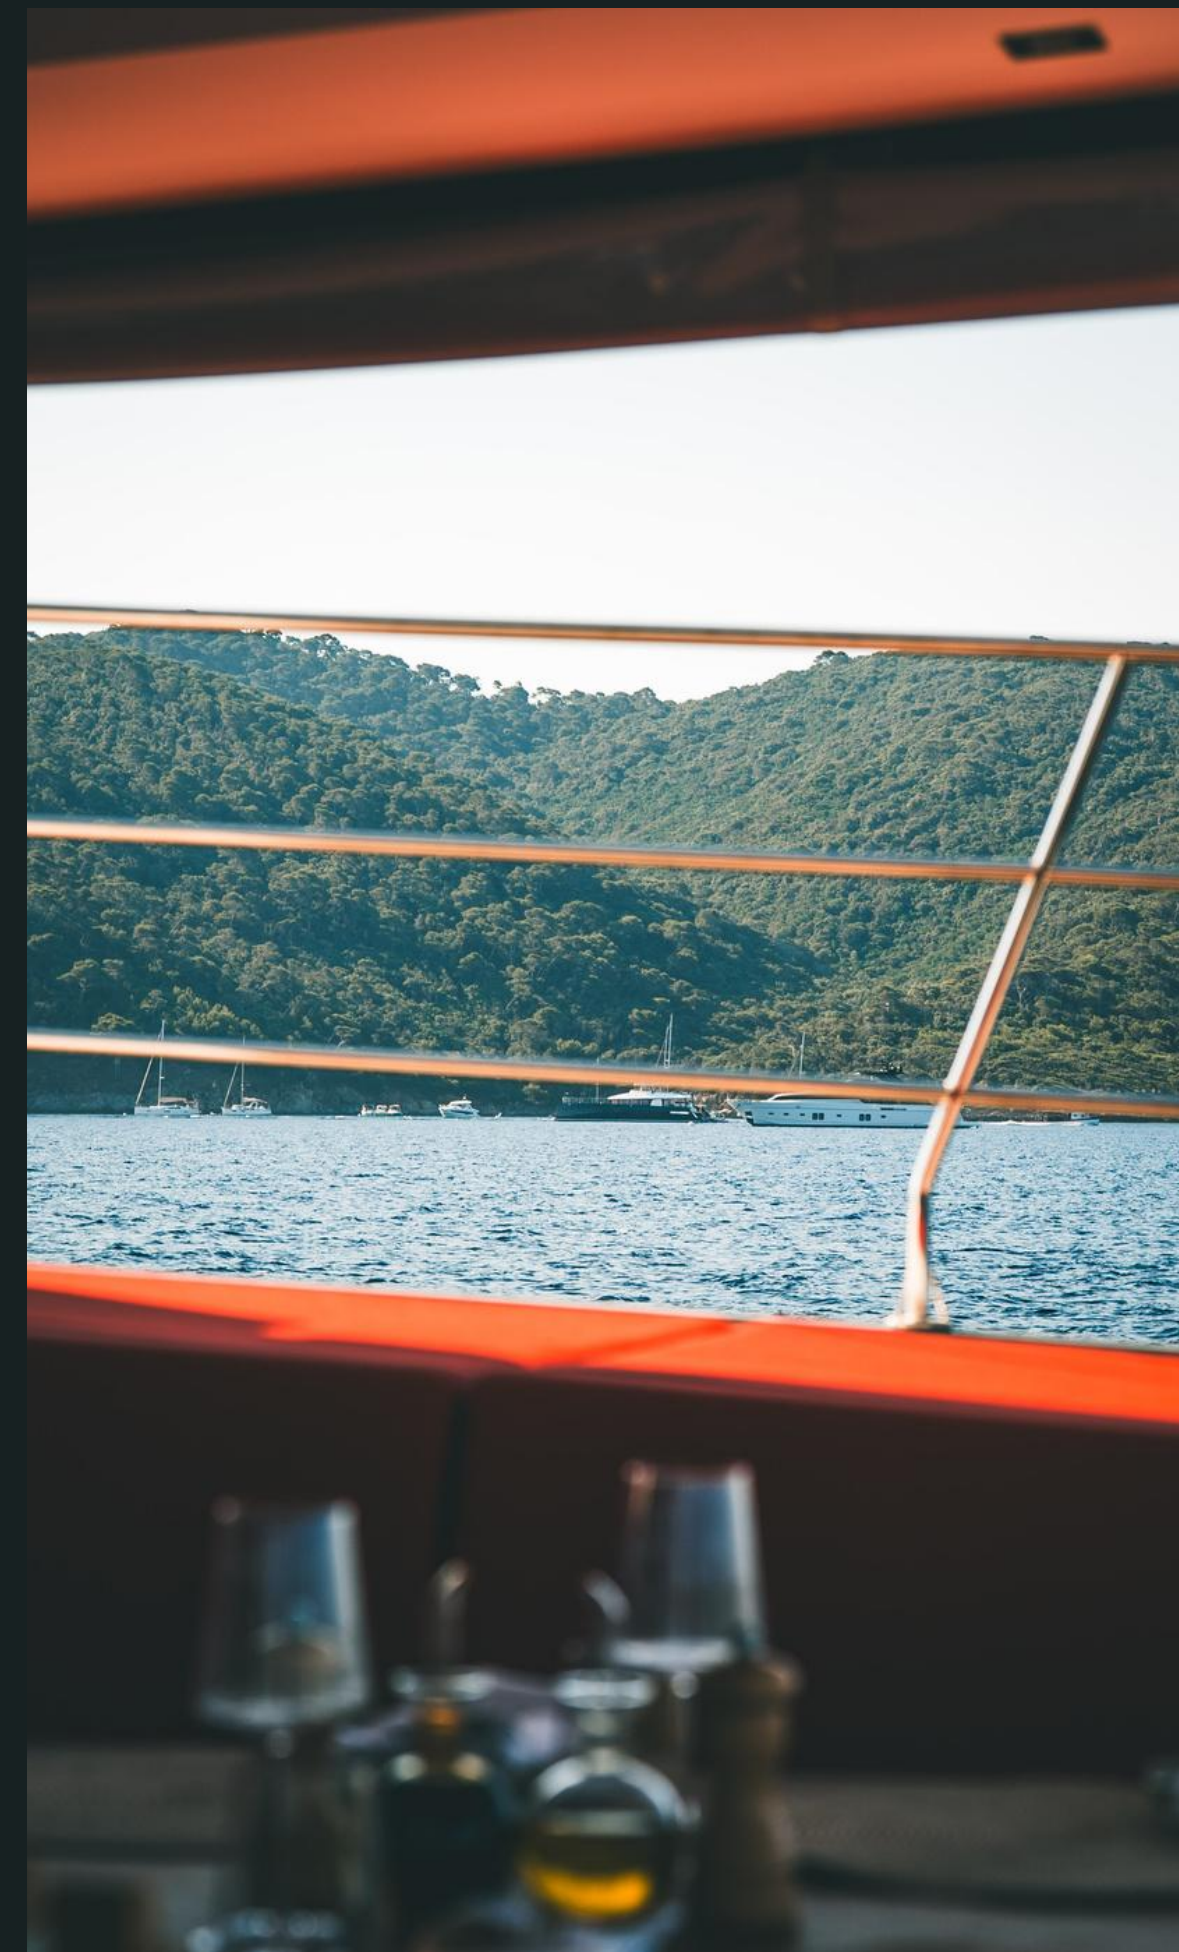

Step aboard **S/Y Mymlan**, a magnificent Privilège sailing catamaran built in 2024, and indulge in the ultimate charter experience where effortless luxury meets the freedom of the open sea. At 58 feet of pure refinement, Mymlan is a floating sanctuary designed for those who seek sophistication, comfort, and adventure in equal measure, whether cruising the sun-drenched islands of Corsica and Sardinia in summer, or escaping to the warm waters of St Barts and Anguilla in winter.

Her generous flybridge offers sweeping panoramic views and a sociable perch from which to soak in every horizon, perfect for leisurely mornings or golden hour sundowners. The forward cockpit provides a breezy, laid-back lounge area ideal for watching the coastline drift by, while the aft deck serves as an elegant alfresco dining space where gourmet meals prepared by your onboard chef are savoured against a backdrop of open sea.

Below deck, three beautifully appointed staterooms: a king master suite and two queen cabins, each with ensuite bathroom, accommodate up to six guests in complete privacy and comfort. Flooded with natural light through expansive hull windows, the interiors are dressed in luxurious leather trim and thoughtful detailing throughout. On the water, a jet ski, a 14-foot tender, and a hydraulic swim platform ensure adventure is always within reach, from spontaneous dives to private island explorations.

S/Y Mymlan — EXPERIENCE THE PRIVILÈGE CATAMARAN WAY OF LIFE
